BEFORE YOU PLAY

The Covid-19 continues to be a highly contagious and deadly virus that can be easily transmitted by persons who show no symptoms of illness.

SLTC and its members will follow all **City and Public Health Guidelines** to minimize the potential spread of COVID-19.

- Wash your hands with soap and water for at least 15-20 seconds before coming to the tennis courts. If soap and water are not available, use an alcohol-based hand sanitizer.
- Clean and wipe down your equipment, including racquets and water bottles. **Do not share** racquets or any other equipment such as wrist bands, grips, hats and towels.
- Bring a full water bottle with you.
- Maintain **PHYSICAL DISTANCING AT ALL TIMES**.
- Please **WEAR A FACE MASK** while waiting to enter the court.
- If you sneeze or cough, do so into a tissue or upper sleeve.
- Arrive as close as possible to your scheduled start time. Games and game times should be booked in advance. No loitering / lingering is permitted waiting for pick-up games.
- Avoid touching court gates, fences, net posts, net tape, benches etc.
- Avoid touching your face, nose and mouth with unwashed hands.
- Aim to play only with family members, persons living in your household or with others who are considered to be low risk.
- **Scheduling of matches is for SINGLES or DOUBLES play.**
- You should book your court time in advance through our club website.

WHILE PLAYING

Protect yourself against infections by adhering to the following measures.

- Doubles may be played.
- It is recommended that doubles partners are from the same household or social bubble.
- Keep a two-metre distance from other players.
- Stay on your side of the court and place your tennis bag at the fence behind the baseline.
- Bring hand sanitizers with you.
- Avoid touching your face, nose, and mouth with unwashed hands.
- Avoid all physical contact. Do not shake hands with other players or meet them at the net.
- If conditions warrant changing ends, do so by crossing at opposite sides of the net.
- Do not share equipment with a playing partner.
- Bring your own supply of water or refreshment.
- If you need to cough, do so into a tissue or in your sleeve to minimize airborne droplets.
- Keep your distance from other players when retrieving tennis balls. Use your racquet and foot to lift the tennis balls and send to other players.
- Avoid touching handles, gates, benches and all other objects where the virus could survive. If you have touched something, use hand sanitizer to wash your hands and disinfect the surface you touched.
